EVENTS POLICY

POLICY FOR SPECIAL EVENTS

The special events policy is written to encourage use of the museum and thereby increasing community awareness of The Nelson-Atkins Museum of Art. It is widely acknowledged that the museum possesses extraordinary buildings and grounds; this policy is intended to promote, in a responsible and professional manner, the use of the facilities for private functions and activities. Selecting the Nelson-Atkins as a special event site offers an organization a creative way to support the museum, while ensuring that the event has a unique cultural dimension.

The Nelson-Atkins Museum of Art is committed to its mission that the works of art remain its primary focus. Private events which have the objective of increasing awareness can be consistent with this primary purpose as the museum's extraordinary collections can be shared with event attendees. All such functions are encouraged to include, as an integral component, the opportunity for viewing the works of art or an educational program.

The museum's Event Planning Department ensures that private events provide opportunity and appreciation of the art on display. Also, they help coordinate all of your needs. Events are expected to harmonize with the character and mission of the museum, conform to established Nelson-Atkins policies, and not interfere with normal operations. The museum reserves the right to review event plans to ensure that they are compatible with the museum's mission and do not create any hazard or impose undue hardship to its collections, exhibitions, facilities, grounds, staff or patrons.

Museum event venues are available for rent, including wedding ceremonies and wedding receptions. Commercial and promotional events and rentals can be arranged. Products and services can be sold or promoted in conjunction with an event, provided they are preapproved by the museum at the time of the application. Priority will be given to Society of Fellows and/or Business Council members. Wedding ceremonies are available when renting the museum for a wedding reception. Nonprofit and other fundraising events are permitted if the fundraiser is not in conflict with the museum's own fundraising efforts or considered to be in conflict with museum goals. Silent auctions and ticket sales are allowed. While the museum can be a venue for ticketed events, tickets are to be sold in advance of the event and not upon arrival on site. The museum will enter into Contract with the sponsor of the event only, not meeting planners or location agents, although the museum will work with such parties to plan and execute an event.

The Nelson-Atkins reserves the right to make exceptions on a case-by-case basis.

A fee is required for each event held at the museum. The amount depends on spaces used and time spent in the museum. The rental fee covers the normal costs for security, maintenance, engineering, supervisory staff, utility costs and trash removal. Any and all other costs of the event, including parking are the responsibility of the Client.

Additional costs may include: Food and beverage, decor, musicians, photographers, furniture, fixtures, 3rd party rentals and audio visual equipment and services, etc. needed to meet your event requirements.

The museum is a non-profit organization and does not charge tax for its services. A 20% service charge will be added to the final invoice for food & beverage purchases.

EVENTS POLICY

MUSEUM SPACE USAGE POLICY

Consideration of all event requests will be based upon proposed use of the facilities in relationship to the museum's mission, availability of space, the timing of the proposed event in relationship to other events and museum functions already planned, and the ability of the museum staff to accommodate the intended use.

Art museums operate differently than other event venues. Interested parties are advised to read and understand all elements of this policy document to avoid misunderstanding in the use of event space and event coordination at The Nelson-Atkins Museum of Art.

RESTRICTIONS AND RIGHT OF TERMINATION

The Nelson-Atkins Museum of Art is first and foremost a fine arts museum and charitable institution that has a need to protect the objects displayed, including those in the Donald J. Hall Sculpture Park.

The museum reserves the right to refuse to make its facilities available to prospective users for any reasons it deems inappropriate, at its sole discretion. The Event Planning Director shall seek authorization for events that do not completely subscribe to the established policies but acceptance is at the discretion of museum leadership and not negotiable.

In the event the Nelson-Atkins determines any violation of its policies, applicable laws, ordinances or regulations with intended use of its premises and/or equipment, the museum reserves the right to cancel the function at any time and no monies paid up to that point will be refunded.

The museum also reserves the right to change or amend this Policy for any reason at any time, without advance notice, including, but not limited to, procedures regarding life, safety codes, insurance requirements, building codes, art lender requirements, or other legal issues. Nevertheless, the Nelson-Atkins will endeavor to notify of any material changes at the earliest reasonable date.

SECURING A RENTAL DATE

To provide for proper planning and attention for a private event requires upwards of three (3) months or more advance planning. While shorter planning times may suffice for some events, the museum upholds the right to decide if shorter lead events can be accommodated.

Advance notice must be given to the Event Planning Coordinator when an event is proposed.

The requested advance times are as follows:

- Sixty to ninety (60-90) days prior to the proposed event.
- Six (6) months in advance for large, complex events needing extensive planning.
- Events co-sponsored by an outside group and the museum need to be scheduled six (6) months in advance to insure appropriate publicity and public participation.
- Products and services can be sold or promoted in conjunction with an event, provided they are preapproved by the museum at the time of the application.

To secure a rental date, the Client must confirm the date, time and estimated attendance with the Event Planning Department. If confirmed, an Event Confirmation/Contract will be sent to the Client at which time the deposit, equal to the rental fees, will be due. An Event Planning staff member will schedule a meeting with the Client to discuss the details. Once the cost estimate of the

EVENTS POLICY

event's details has been determined an Event Worksheet will be provided. At that point the remaining amount of money will be due no later than thirty (30) days in advance of the event.

Use of the public entrances for these purposes is not permitted in order to uphold the interior temperature and humidity of the interior spaces.

To ensure that these matters do not interfere with museum public hours, all deliveries associated with an event must be delivered the day of the event and must be removed from the premises immediately following the event. If arrangements must be made for special pick up of rental or decorative goods, the cost for special pick-up of said items will be at the expense of the Client.

The guarantee shall not exceed the maximum capacity of the areas within the facility in which the event will be held. This number will be considered a guarantee, not subject to reduction.

The museum will count the actual number of attendees. If the actual attendance is greater than the guaranteed attendance the actual attendance count will be charged on the final invoice. If the actual count is less than the guaranteed count, the guaranteed attendance will be charged.

If a Client fails to notify of the guaranteed attendance within the time required, the event will be staged and prepared to serve the number of estimated people in the Event Worksheet which will then be deemed to be the guarantee.

The museum will be prepared to serve 3% more than the guaranteed number of attendees and cannot be responsible for service to more than 3 % over the guarantee. If the guarantee is raised within the 72 hours, the 3% over set will not apply, and the guarantee then becomes the set. Beyond the 3% factor no guarantee can be made that food, beverage and other attendee dependent services will meet the Client's or their guests' expectations.

Holds and Date Conflicts

The Nelson-Atkins provides a "courtesy hold" of fourteen (14) days from the date of your request or forty-eight (48) hours after written or telephone notice to the Client that there is a conflicting request for the same date, whichever is shorter. The event date will not be reserved and confirmed unless the museum's Event Planning Department receives the initial deposit prior to the end of the Courtesy Hold Period. If the initial deposit has not been received by the end of the Courtesy Hold Period, the date will return to open status.

If alcoholic beverages are served, the museum must approve all plans and circumstances under which it is served. Approval shall be for the sole purpose of ensuring that said plans and circumstances comply with and do not contradict the character and mission of the museum or compromise legal requirements of the liquor license.

Minors shall not be served any alcoholic beverages, and Client specifically agrees to take whatever steps necessary to ensure that alcoholic beverages are not served to minors.

To avoid any conflict or confusion related to the Nelson-Atkins collections, no works of art can be included in silent auctions. Delivery of items for silent auctions can only arrive on the day of a Client's event. All items for silent auctions must arrive through the Security Command Center (SCC) where a museum property pass will be provided for each item specifying that it is not the property of the museum. The property pass will accompany the item(s) to the door of departure at which time the property pass will be turned over to the door officer.

The museum is not responsible for the storage or safety of any auction items.

Smoking

Smoking is not permitted anywhere inside the museum buildings or garage. Upon request, exterior smoking areas will be clarified depending on the venue location.
