Dearest Sister

Your kind note in to **hand** this day and I shall with promptitude attend your summons into Essex (D V) when it appoints a time as it is my duty to serve our kind Uncle at any time. I regret to receive so indifferent an account of his health which I sincerely hope may be improved on my arrival. Have sent you a paper, among the advertisements you will observe advertisements of sale of Mrs **Langs Jaff's** Furniture Upon chase noting as I intend to hire at present.

With kind regards to all, believe me, as ever,

Your affectionate Brother

George Bayley
